Winter '10 Student Art Exhibit

Saturday, May 22, 2010 4-7pm at Warehouse 21

Appetizers and beverages will be served. Music by DJ Pablo 77.

Students ages 6-10 studied various artists such as Marc Chagall, Paul Cézanne, James Whistler, Robert Indiana, Salvador Dali, Louise Bourgeois, Judy Pfaff, and Jean-Michel Basquiat. They explored various mediums including acrylic paint, oil and chalk pastels, wire and cardboard, cut paper, watercolor, collage, wood, plaster, and oil pastel paint on cardboard.

Students ages 10-15 studied local artist and paper engineer Andrew Baron of Papyrus Studio in Santa Fe. They designed their own pop-up book and fine-tuned the mechanics of their book from Andrew Baron himself! They also studied the history of printmaking and created block prints, studied and explored wax encaustic painting, and painted with ink and water colors while studying artist Charles Demuth.
